PETER NEIGHBOUR

Experiments in the art of painting people.

Three years ago Peter Neighbour started to explore different styles in figurative art and left behind his previous, realist style of painting portraits from life. During these last three years, inspired by imagination and emotion, Peter has been working to develop his own new way of painting the human figure.

Biography

Peter Neighbour is a British artist working and living in Frankfurt am Main since 2011.

Born in London, Peter grew up in a small town half-way between Oxford and London. Peter read philosophy at Cambridge University before committing himself to a career as an artist in 2003.
